### Foreword

Falling leaves . . . silent snow flakes . . . fragrant blossoms . . . warm rays of sun. . . All these are gifts of nature and each is a special mark of a passing season. And so it is with the passing of the four seasons that another year has come to an end. Each season with its months, weeks, and days has fled with fond memories of friends, familiar places, and unforgettable events.

To the Class of 1960 it marks the end of a successful college career of teacher education and the termination of the Rhode Island College of Education. With special pride and a feeling of sadness we bid a final farewell to our beloved ALMA MATER.

In retrospect, let us look back on the seasons as they are reviewed in the following pages of the 1960 RICOLED.

**WE**

**DEDICATE**

We, the Class of 1960, dedicate our *Ricoled* to our class advisor, Dr. Renato Leonelli. Dr. Leonelli has been an enthusiastic counselor to our class and has shown his interest by attending class meetings, stunt night rehearsals, and offering helpful suggestions when needed. His sense of humor and qualities of kindness, generosity, sincerity, and patience are known to all of us. It is with fond recollection of his personal interest in the class and to each one in particular that we make this dedication to Dr. Leonelli.

## CAMPUS CANDIDS

WHIPPLE GYMNASIUM has a one hundred foot double gymnasium, two classrooms, exercise rooms, and facilities for visiting teams, as well as the usual gym accommodations.

ROBERTS HALL is the administrative center of the College. The alumni lounge, auditorium, little theatre, music room, and usual backstage properties are found here.

The STUDENT CENTER houses the library, book store, cafeteria, men's and women's lounges, student lounge, and faculty lounge. It is the setting for most of the College social functions.

ALGER HALL stands to the north of the library. Science and mathematics classrooms and the medical area occupy the first floor, and social studies and art classrooms are on the second.

CRAIG-LEE HALL houses the professional studies classrooms and the English and foreign language areas. On the basement level are the facilities of the Division of Audio-Visual Aids of the State Department of Education.

A well traveled path between classroom buildings and Student Center.

After the first snow fall.

Patio of Student Center affords easy lounging on warm sunny days.

Pleasant surroundings are conducive to study in library of Student Center.

"Down the trodden paths of snow,  
Off to classes we will go."

## PRESIDENT'S MESSAGE

If your four years at the College could be viewed in perspective with all the one hundred six years of its history, those four years would appear as the foremost irruption of change and growth. Only the second class to go through our new curriculum, you have seen the College gain fifty per cent in enrollment, move to its new campus, expand its scope, improve its quality and change its name. Two years on the old campus and two on the new, you are truly the transition class. By your destiny you have had the greatest impact on the College of any class so far, and we hope you are the most richly and variedly prepared to begin to teach and to be adults.

You have grown much and made many contributions; the most marked has been your leadership towards a more vigorous and responsible citizenship. In a time when young Americans are accused of apathy, you have been responsive. During all your lives may you continue as responsible citizens.

As change and growth have been the dynamics of your college careers, so change and growth are the dynamics of modern society into which you go. Your teaching must be geared to the acceleration of change. Founded upon fundamental truths and skills, it must yet prepare youth not for what has been or what is but what will be. To the extent that you vitalize and orient American education to prepare for change, to that extent is the promise bright for American society.

Go with our blessings.

WILLIAM GAIGE

# SENIOR SNAPS

Hey, Dru, come help me knead this tuna fish.

Try rocking it.

When will they ever come out of their shells.

The years between 1956 and 1960 hold memories enough to fill many books. For those who would like to write their book or for those less energetic souls who would merely like to reminisce, here are some stepping stones and arrows to help you on your way:

September 11, 1956 . . . Freshman registration . . . testing . . . Brothers and Sisters . . . Freshman Mixer . . . beanies . . . guns and holsters . . . sideburns . . . pails . . . carefully scrubbed stairs . . . worn out toothbrushes . . . the Hokey-Pokey . . . "Kangaroo Court" . . . "fair" punishments for offenders . . . true Freshman at last.

All club party . . . parlez vous francais? . . . Nein! . . . history of Civilization in two semesters?!? It can't be done! . . . Junior-Freshman Party . . . more "fun" from our sister class . . . "Of course I know what the study of Biology is!" . . . Parents met President Gage at the President's Reception . . . Yes, I know I'm a "motor moron!" . . . I'll need a wagon to carry these books - - look at the size of this dictionary!

Soccer what's that? . . . Hop in the car - - we'll take a ride down to the field and take a look . . . Hey, look at that boy hit the ball with his head . . . Why doesn't he use his hands? . . . Freshman soccer players—Joe Aguiar, Danny Andrews, Frank Peters.

October—November, 1956 . . . new friend every day . . . learning the ins and outs of that cafeteria line . . . sitting in the sun eating and talking and drinking cokes . . . soccer games at home and away . . . our first dance, The Harvest Hop sponsored by Student Council . . . The struggle to find a space big enough to squeeze in just one more car . . . The two minute before the bell dash up those endless stairs . . . pant, pant—PRESENT—pant, pant.

But where are the pickles, honey?

A motley looking group, isn't it?

A German Beer Garden served as a setting for the Sophomore Hop in 1956 and then the end of the first quarter rolled around . . . as Freshman we had quarterly grades to face . . . some smiled, some frowned, but most plunged on.

Many of us saw our first R.I.C.E. Dramatic Production when the first nighters turned out to see "Anastasia" . . . many Frosh were in the cast—Joe Menard, Claire Horan, Ed Kelly, Gerry Schooley, John Bray, and Peter D'Amico . . . Also in November came the Bond Rally . . . the bond is passed . . . hurray . . . We'll have our new campus.

As winter begins to descend on old R.I.C.E., the basketball players begin to warm up . . . *Anchor points? What are they? . . . Oh, you don't say? . . . Come on, kids! You're an Anchor point, you know!* . . . Tom Drury and Mark Fullam represented the Frosh on the Court . . . Christmas Choir Concert . . . Christmas Dance jointly sponsored by the Future Teachers of America and Kappa Delta Pi . . . Christmas recess . . . Fourteen whole days . . . breathe freely while you can.

January 2, 1957 . . . *Must I really cut this frog open? . . . Stunt night rehearsals begin . . . John Bray tears his hair . . . scenery is built, costumes are made . . . a show is shaping up . . . The All College Ball . . . Barbara Tomei is All College Girl . . . exams are nearing . . . exams . . . What on earth is an index?! . . . Well, you multiply this and divide that and—I don't know! Ask your advisor!*

Cold February and second semester . . . our first class officers take over the reins of the class of 1960 . . . *Hey, do you know how to skate? W.R.A.'s having a party.*

February 15, 1957—our first Stunt Night performance . . . We can't lose . . . it has everything . . . cave women . . . Cleopatra . . .

Listen big boy, you can't have any more cokes.

Hurry before they carry them away on the stretcher!

Like, how ivy league can you get?

And I don't even have any skates . . .

Too many cooks spoil the broth!

Take us to your leader!

On top of Old Smokey . . .

Having a cool Yule.

Please dear, people are watching

Is that the way she got her nose burned?

Madame Pompadour . . . palm wavers . . . Joe Menard and Carol Martineau . . . what more could the judges ask . . . well, maybe if we had had programs they might have understood it better . . . remember next year, programs!

March and April proved good times to study . . . the Choir gave a Spring concert that was warmly received . . . "Stage Door" was offered by the Dramatic league as its Spring Production.

May Breakfast . . . *Ticket? No one told me I needed a ticket . . .* and then the State House's lawn was invaded by a marching band and assorted animals and the poetry of Ogden Nash . . . in the true spirit of May the Freshmen frolicked in costume . . . Sylvia Morrone was Queen of the May . . . *It can't be almost over! . . . Well, that proves you can learn a lot about civilization in two semesters . . .* Now is the time to decide . . . will it be Elementary, Math-Science, English-History . . . And then decisions made . . . exams over . . . we separated for a summer . . . *See you in September!*

September came soon enough . . . *Who wants to buy a used math book? . . . Anyone have a health book for sale—cheap!? . . .* Thus we entered our last year on the old R.I.C.E. campus on Park Street . . . Our new class officers included someone who was called Joe Menard who was President and who somehow never has lost that title . . . Jeanne Louth was Secretary of Student Council . . . Once more John Bray led us to battle on the Stunt Night stage.

The Fall months passed quickly by filled to the brim with activities . . . soccer games . . . pajama parties . . . B.Y.O. parties . . . and the Oriental Sophomore Hop . . . Carol Martineau was elected Queen . . . Stunt Night planning began early . . . all were eager to prove that

Sophomores can win . . . The Anchor became a sought after prize . . . a game was born—Anchor, Anchor, Who's got the Anchor . . . studies managed to squeeze a little time for themselves but in between there was intra-class sports . . . soccer games . . . shopping down city between periods . . . earnest discussions out on the lawn . . . and the constant battle to find a parking space.

The November production of the Dramatic League was "The Potting Shed" . . . many of our class took part . . . as the holiday season approached the Choir gave its annual Christmas Concert . . . before you could shovel the snow from the steps, Christmas Recess was over and exams were fast approaching . . . Stunt Night rehearsals went ahead full force . . . *Who's a blob? Why, I've never been so insulted!* . . . *What's that painting people are hiding—couldn't be a touched up Mona Lisa, could it?* . . . ski trips can be dangerous, but they're mostly fun.

This was the year Winter Weekend originated . . . Stunt Night came first . . . We can't possibly lose—we have programs . . . it is a little abstract—let's hope the judges are artistically intellectual . . . the lights were off—they couldn't read their programs! . . . never say die—we'll try again next year . . . second came the All College Ball where Mary Pat Welch was crowned All College Girl . . . a jazz concert rounded off the first annual Winter Weekend.

Well into second semester now, busy sophomores returned to their books . . . basketball games viewed from on high were very exciting . . . softball in the spring was also fun . . . *Oops! Whose car got under that high fly?*

Now and then an excursion to the new campus was made by a few

That's not charcoal, that's the hotdog!

Oh Helen! You know how I hate this long drying nail polish!

Why, yes, I've used Ivory Snow for years!

Did you know decomposed protoplasm does return nutrients to the soil?

You mean, you want me to play the violin?

Hi there! It's time again for American Bandstand!

R.I.C.E. All hail to thee—

In the mature male . . .

Good evening, Mr. Murrow!

I love my wife, but oh, you kid!

brave souls who liked knee deep mud . . . with visions of the new campus dancing in our "sophomoric minds," we left our old campus tearful, but joyously.

*Help, I'm caught in a mud puddle! It feels like quicksand . . . Step a little higher, miss, you'll make it. Stairs'll be in next week for sure!* . . . Mid the happy sounds of bull dozers, cement mixers and shouting workmen, our third year at the Rhode Island College of Education began . . . This year was "revenge year" . . . our lowly victims, the incoming Freshman class . . . out numbered as we were, we had fun . . . Earl D'Moranville and the Hazing Committee (including Liz August) planned activities and fun times that will remain in the minds of the Class of 1962 forever . . .

This was to be our last semester as a whole class until the last semester of our Senior year . . . we made every minute count . . . Anchor Points began to mount up as campus activities began . . . the Fall was filled with parties . . . dances . . . planning for Stunt Night and the Junior Prom at the Green Manor . . . hayrides . . . and assorted fun, sports and studies . . .

All over the campus plans were being made for a bigger and better Winter Weekend . . . Elizabeth August was co-chairman of the affair and was busy, busy, busy . . . Anita Pascale led our Stunt Night extravaganza . . . soon it was time for some to say good-bye to the campus until the next September . . . supper together served as a Farewell party . . . training was an experience few will forget . . . few have to be reminded of the laughter and the tears that made up those six months of teaching . . . those who were off campus came back at least once a week for the special classes . . . Winter Weekend

was one event that joined our class for a brief period . . . Stunt Night was first on the agenda . . . this time we provided programs and matches to read by and WE WON . . . thanks to the effort of each and every member of the class who participated and especially to Anita Pascale . . . at the All College Ball Marguerite Brazil of the Senior Class was crowned the All College Girl . . . a terrific jazz concert . . . a delectable buffet supper . . . the second annual Winter Weekend was a social triumph for the Rhode Island College of Education . . .

As Spring came to our new campus, activities reached their climax and settled down to a quiet hum of learning . . . the Dramatic League's Spring production was a series of three one-act plays directed by John Bray . . . appearing in the plays were Claire Horan, Sally McGurn and Judy Brown . . .

Another year in the history of the class of 1960 had past . . .

Fifty-seven strong, the on-campus Senior class . . . we were beginning our last year on the campus which had grown to mean so much in our lives . . . we were leaving our last indentations on the history of our college . . . Joseph Aguiar served two semesters as Student Council President . . . both Jeanne Louth and Anita Pascale served as Vice Presidents in Student Council . . . Elizabeth August served as Editor of the *Anchor* . . . Our Yearbook was headed by Dorothy Heslin . . . Judith Brown was Editor of the *Helicon* . . . Anita Pascale missed being chosen unanimously as Stunt Night Chairman by one vote . . . in spite of this one objector Anita bowed to the East and took the reins of Stunt Night once more . . .

Wadya mean, did we wash our hands!!

Daddy, come over and give us a push.

# SOCCER

A new field, a new coach, new faces — all these were part of the R.I.C.E. soccer scene when the 1959 season began. The spacious new field behind Whipple Gymnasium meant to the veteran Riceans a stop to the long treks to Obediah Brown Field for practice sessions and games. The new coach, Edward Bogda, meant new ideas, and as the Riceans were soon to learn, — hard work, long hours, and practice, practice, and more practice. The new faces meant new material, and this is the spark that R.I.C.E. needed desperately as the team had been hard hit by graduation.

As practice sessions began, returning veterans were led by Mr. Offense, Joe Aguiar, and Mr. Defense, Mark Fullam, the R.I.C.E. Co-Captains. Joe Menard our ever capable goalie, Tom Drury, Tom Sweeney, and Don Hickey were other R.I.C.E. mainstays returning to the

soccer wars. Among the many talented newcomers were Tony Mancini, Mike Iacona, George Fleming, Norm Camp, and Ed Blamires, all Sophomores, and Chuck Moffitt, a coming R.I.C.E. star.

Under the capable leadership of Coach Bogda, the Riceans were hastily made ready for the opening game, a scrimmage with the talent laden Alumni aggregation. Among the returning stars determined to show the inexperienced Riceans "how to play the game" were such former stalwarts as John Veader, Everett Maxwell, Walt Crocker, Dave Moore and Bob Berlam. They failed to reckon with determination and conditioning, however, and after the gruelling battle the Grads were forced to yield, R.I.C.E. winning 1 to 0 on "you called it", Joe Aguiar's screaming shot past the prostrate Veader in the final period.

Prior to the opening league game with Gorham the new R.I.C.E. Field was officially dedicated. Taking part in the ceremonies were Dr. Gaige, Michael Walsh, Commissioner of Education in R.I., Mr. Brown, Coach Bogda, and Co-Captains Aguiar and Fullam.

Some 500 spectators attended this game and cheered wildly as the Riceans outplayed Gorham in every department. Showing spirit, bustle, and team play, R.I.C.E. finally broke through Gorham's capable goalie

Another Goal for Aguiar

for a score by Tony Mancini in the third period. R.I.C.E.'s 1 to 0 victory however does not indicate the wide superiority of play which it held throughout the game.

Keene Teachers next invaded R.I.C.E. and immediately jumped off to a lead on a penalty shot, the first goal of the season scored against the gritty Joe Menard. Shortly after, R.I.C.E. retaliated on a penalty blast by Aguiar and in the second half exploded for three quick goals. Keene pressed hard, however, and in the final stages closed the gap to 4 to 3, a narrow, but impressive win for R.I.C.E.

Coach Bogda's boys tasted their first defeat when they met a talented, hard playing Fitchburg team. R.I.C.E. lost little in the way of respect however, bowing 5 to 3 after a bitter battle. Bright spots in the R.I.C.E. picture were Joe Aguiar with three goals and the R.I.C.E. defense fullbacks, Mark Fullam and Norm Camp and goalie Joe Menard, all of whom performed creditably in turning back numerous Fitchburg scoring attempts.

A strong Bridgewater eleven administered a decisive defeat to R.I.C.E. routing the homesters by a 7 to 0

count. Four penalty shots early in the game put the Riceans at a disadvantage and a torrential downpour in the second half prevented the R.I.C.E. attack from gaining its usual momentum.

Following the Bridgewater defeat, R.I.C.E. journeyed to Keene where it bounced back with an impressive 2 to 1 overtime victory. Although the Riceans outplayed Keene throughout, it was not until the first minute of overtime when Joe Aguiar drilled in a shot from close-up that the outcome was decided.

Fitchburg's powerful eleven visited R.I.C.E., and after a hard battle the homesters yielded by a 4 to 0 count. Standing out for R.I.C.E. was Don Hickey our rockem-sock-em center halfback.

R.I.C.E. was bent on revenge after its previous 7 to 0 defeat when it travelled to Bridgewater and jumped into a quick 2 to 0 lead on first half goals by Co-Captains Joe Aguiar and Mark Fullam. Fullam's half field blast was one of the few goals ever scored by a R.I.C.E. fullback. Bridgewater battled back gamely in the second half however, and after tying the score late in the fourth quarter, scored the winning marker when Joe Menard, sensational throughout, was literally carried into the goal by three Bridgewater players.

The Riceans were definitely "up" for the season's finale with Salem, particularly the seniors on the squad who were to hang up their cleats and pads forever. Co-Captains Aguiar and Fullam halfbacks, the much improved Tom Sweeney, and rough and tumble Tom Drury, and goalie Joe "Here comes Rusty" Menard all played their hearts out in leading R.I.C.E. to an impressive 2 to 0 win over the visitors. The amazing Aguiar, although hobbled by a painful injury, closed his brilliant career with a solo dash on which he beat the Salem goalie cleanly, late in the final period. Joe's scoring records will undoubtedly hold for many many years at R.I.C.E.

Although the Riceans failed to cap championship laurels in 1959, the outlook for the future indicates greater and greater success. This year's newcomers will be next year's veterans and the other teams in the conference will really have to be on their toes to reckon with the likes of Don Hickey, Norm Camp, George Fleming, Ed Blamires, Tony Mancini, Mike Iacona, Charlie Moffitt, and the many other R.I.C.E. stalwarts who will lead the team next year. To Coach Bogda and the Riceans of 1960, best of luck and let's bring R.I.C.E. the Conference Championship.

Sputnik Drury goes into orbit.

# BASKETBALL

As has happened many times in the past, the R.I.C.E. basketball team went into the 1959-60 basketball season lacking height and manpower as a result of serious losses through graduating players. The team went without a victory until their first encounter with a good Westfield squad. This was the highlight game of the season. The Riceans turned back the Bay Staters largely through the high scoring efforts turned in by Tom Eastham and Ron Felber. The large group of fans on hand were able to watch the setting of an unusual record. Mark Fullam sank a fine, sixty foot shot at the end of the half going on record as the longest shot ever scored in the new gym. What seemed to be the start of a new life for the squad was stopped, however, by a large loss of players due to injuries and scholastic difficulties. Nevertheless, even in loss, the Riceans has a large share of standout ballplayers.

Tom Eastham, co-captain of this year's squad, led the R.I.C.E. scoring parade averaging close to eighteen points per game. Although his opponents under the

basket were often much taller, Tom gave an excellent account scrapping for rebounds and leading the Rice-ans offensively and defensively.

Mark Fullam, R.I.C.E.'s other co-captain was the team floor leader, calling plays and always hustling. His rugged rebounding and frequent contributions to the scoring column proved vital to the R.I.C.E. cause throughout the season.

Ron Felber, one of the most skillful players in R.I.C.E. history, will return next year to undoubtedly add to his already imposing list of laurels. Ronny's driving ability and patented jump shot are second to none in the teachers' conference. He can put in the most unorthodox of shots and often does, particularly when the chips are down.

Claude Gladu, one of the most reliable of the Rice-ans could always be counted on for a supreme effort. His rebounding and scoring punch were a great asset throughout the season. Claude, a sophomore, will be highly respected by R.I.C.E. opponents during the next two years.

Don Hickey is undoubtedly a clever handler. His scintillating passing and fine playmaking were a credit to the team. His remarkable ability is also well known throughout the conference.

Among the leading R.I.C.E. reserves were two freshmen, Bob Sheldon, and Ray Pepin, both of whom filled in often and effectively in front line duty. Much should be heard from these two in coming years.

Also filling in capably in spot duty for the Riceans were Neil Gallagher and Pat Petruent.

Although the team did not win as many games as it hoped to, Thomas Sheehan has proven himself an excellent coach and leader of men. We hope to have, as does Mr. Sheehan, an excellent team in future years. With the coach's ability, R.I.C.E. cannot help but have a winning season.

In closing, the seniors of the soccer and basketball squads would like to express their gratitude to Mr. Brown for his friendship and sincere devotion to the men of the College.

Treasurer: Frances Palumbo

The Student Council has been endeavoring during the past year to establish itself as a functioning body on campus. It has sought to define its purpose and duties. The major undertaking of the Student Council was to revise the existing Student Government Constitution. Looking to the future of the college and its planned expansions, the council constructed a constitution it hopes will serve adequately the coming student bodies of the R. I. C.

Student Council has allotted money from the Gift Fund for the purchase of a duplicating machine for student use and for bleacher seats for the Athletic field.

Each semester a Leadership Workshop was sponsored by the Student Council. These meetings were held to help class and club leaders gain a better understanding of their responsibilities and the methods prescribed for the performance of their duties.

### KAPPA DELTA PI HONORS SCHOLASTIC ACHIEVEMENT

Kappa Delta Pi is a national honor society in Education. The Epsilon Rho chapter is located on this campus. To become a member of the honor society a student must be in the upper quintile of his class and must be elected during his junior or senior year.

This year's events included an Initiation Banquet, a Christmas Dance and a Reception for the Sophomores. Education being the main stem of Kappa Delta Pi's activities, speakers in this field have been presented. They included Charles McKay, former Superintendent of Warwick Schools; Dr. William Flagagan, director of the Division of Graduate Studies; and Dr. Harry Novak, a member of the faculty who deals with exceptional children.

The Epsilon Rho Chapter takes part in the national activities of Kappa Delta Pi by sending delegates to the national convention held each year in Chicago.

President: Richard Michael  
Vice-President: Robert Viens

Treasurer: Alexander Freda

During the past year, Epsilon Chapter of Kappa Delta Phi has continued its rapid development of its three purposes—education, philanthropy and social development.

In the field of education, the fraternity is planning to offer scholarships to deserving students. Guest speakers dealing with education have also been sponsored by Kappa Delta Phi.

The fraternity's philanthropic activities took the form of a Christmas party for underprivileged children and donations of chocolate milk for the children's center.

The social calendar of the fraternity included a hay ride, several record hops, a New Year's Party, Pledge Dance and a Jazz Concert. The Third Degree Banquet and the Installation Banquet were both attended by many male faculty members of the college who had been invited. These banquets have contributed immensely to closer ties between faculty and students.

One of the high points of the fraternity's year was the awarding of the Kappa Delta Phi Award to an outstanding male and female member of the Senior Class who have not been previously recognized.

## ANCHOR

### ANCHOR WIDENS ITS SCOPE OF ACTIVITIES

The Anchor established itself as a six-page bi-monthly during the past year. Together with this expansion came a re-writing of the organization's out-dated constitution.

In November, 1959, the four members of the editorial board attended a conference in New York City sponsored by the Associated Collegiate Press. These editors brought back to the campus many ideas which they have incorporated in the ANCHOR.

A contest to pick the Best Dressed Girl on Campus was organized by the ANCHOR. The contest included class nominations, a fashion show, and a campus-wide election.

The ANCHOR has also set up a morgue in which back issues are kept along with pictures, and statements of ANCHOR policy.

Music and Lyrics by  
Grace E. Bird

long Our grateful praises and our love, The tribute of our song. -

cher-ish thy be-lov-ed fame and pledge our loyalty. -

En-shrin'd thou art with-in the heart of ev-ry son and daughter.
